 - i. Applicants must immediately complete a Vulnerable Sector Criminal Records Check
 - ii. The prevention guidelines outlined within the Respect in Sport curriculum must be made standard practice and all volunteers should be made aware of these guidelines.
 - iii. Ensure clear position descriptions. Responsibilities and roles as well as do's and don'ts can be clearly identified in these descriptions.
 - iv. Ask for, and follow up on references which will help to determine a person's character. This can be done for all Contractors and volunteers being recruited.
 - v. Follow up with program participants. Regular contact with participants and family members can act as an effective deterrent to someone who might otherwise do harm. Contractors and volunteers should be made aware of any follow-up activities that may occur. These could include spot checks for volunteers in high-risk positions, especially any awaiting the results of their VSV and/or Criminal Records Check/Local Police Check.
