

OPT-IN PROGRAM

Elite Skating & Edge Work Program

RJMHA U8 & U9 PLAYERS

REGISTER ONLINE
RICHMONDJETSMHA.COM

Want to take your skating to the next level?

Our new Jets opt-in skills program is designed for dedicated U8/U9 players who want to become more than just an average player and to take their game to new heights. Modern hockey is all about skating, speed and edgework. Our program is the first step to making you son or daughter an elite skater.

Under the direction of our Hockey Program Director **Tim Preston** from Impact Hockey and lead instructor **Keenan Scardina**, former BCHL player and Delta Hockey Academy coach, this 9-week program will focus on the foundation of skating science, mechanics, posture and balance. **The emphasis will be on stride, edge control, lateral movement, acceleration, crossovers and pivots in a fast paced, fun environment!**

RJMHA U8 & U9 Players

**Tue Oct 19th to
Tue Dec 14th**
