Teams will be awarded 2 pts for a win, 1 pt for a tie and 0 pts for a loss. Goal differential will also be recorded with no team able to record a +/- rating of greater than 6 goals per game. Team standings after round robin play will be based on total points earned. If two or more teams have equal number of points, the tie breaking method is as follows:

- Head to head results
- Team with the most wins
- Best overall goal differential rating (cumulative +/- rating after the 3 round robin games)
- Team with the least penalty minutes
- Flip of the coin

*3-way ties - once the tie has been broken, the remaining two teams will start again and work their way down the list to determine the next highest finisher

Richmond Jets Ice Breaker C Tournament Nov 12-14, 2021

b) Play-offs

The top 2 teams from each pool will play each other in semi-final play.

1st place Blue vs 2nd place White

1st place White vs 2nd place Blue

Both winning teams will play in the Championship game

Both losing teams will be eliminated from further play

c) Consolation Group

3rd to 6th place teams from each pool will play each other in consolation play:

3rd place Blue vs 3rd place White (does not apply to U11 Division)

4th place Blue vs 4th place White (does not apply to U11 Division)

5th place Blue vs 5th place White

6th place Blue vs 6th place White

These will be the final games for these teams

d) U11 Division Consolation (Flight B) Finals

For the U11 Division only, there will be a Consolation (Flight B) Finals involving the 3rd and 4th place finishers from each pool

3rd place Blue vs 4th place White

4th place White vs 4th place Blue

Both winning teams will play in the Consolation (Flight B) Finals

Both losing teams will be eliminated from further play

e) Overtime (Semi-finals and Championship games)

In the event of a tie at the end of regular time during a semi-final game and championship game, there will be a 5-minute sudden victory overtime period. Each team will play 4 skaters and a goaltender. Penalties called during overtime will result in playing short handed but not with less than 3 skaters. If there is no score during the overtime period the game will go to a shootout.

f) Shootout

First Round – 3 shooters

Coaches will designate 3 eligible shooters* from each team. The team that wins the coin toss, will have the choice to shoot first or second. Teams will alternate shooters until all 3 of their players have shot. The winner will be determined by which team scores the most goals. Please

Richmond Jets Ice Breaker C Tournament Nov 12-14, 2021

note – when it becomes impossible for a team to win (i.e. one team scores on their first two attempts, and the other team scores no goals on their first two attempts) then the remaining “shooters” will not be required to shoot. If after all 6 shooters have shot, and the score is still tied – we then move onto the “Second Round – Sudden Death”

* players who are serving a penalty in Overtime, and whose time has not elapsed before the end of the overtime period, will not be eligible to be a shooter in the First Round of the Shootout

g) Second Round – Sudden Death

Coaches will choose one shooter at a time (must not have shot before). Whichever team went first in the first round, will now go second in the “Second Round – Sudden Death”. Shootout will be Sudden Death. If Team A’s shooter scores and Team B’s shooter does not, then Team A wins

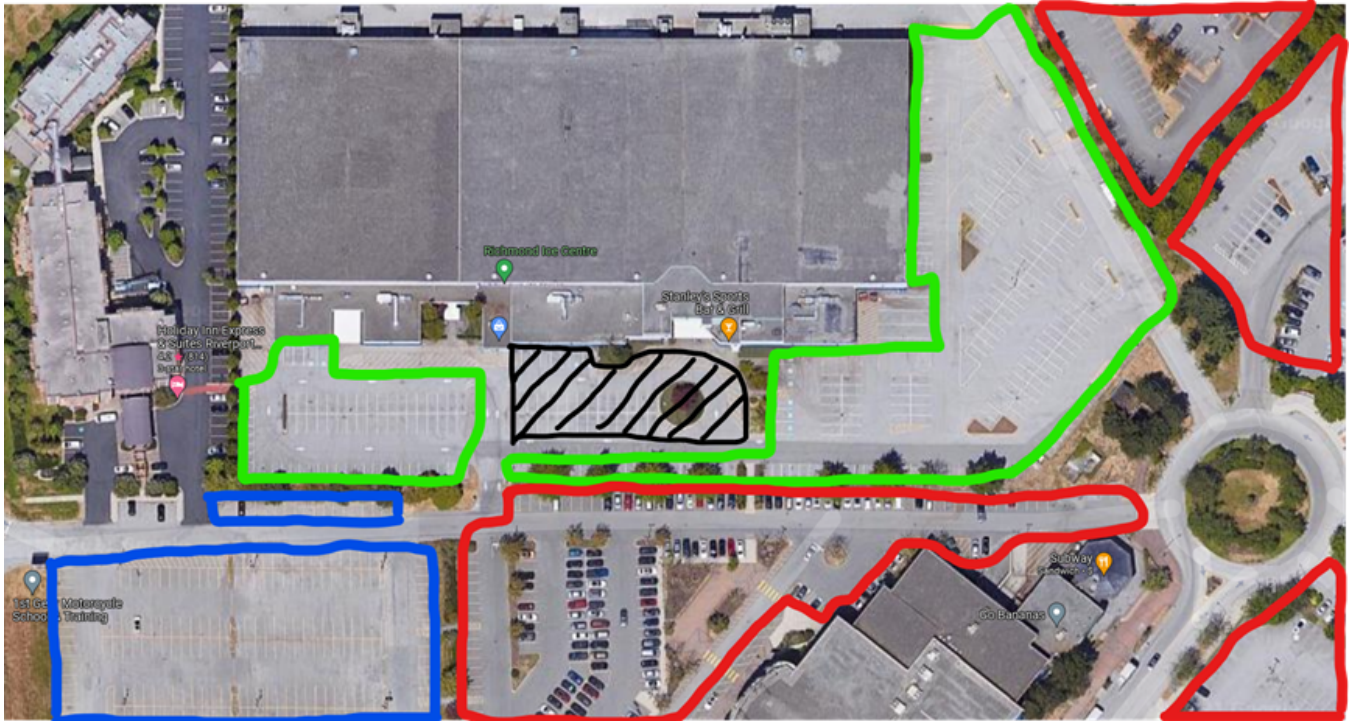

(and vice-versa). If both Team’s shooters both miss or both score, both teams will select another new shooter and repeat the process until a winner is determined. Once all players on team have been selected as shooters, the coach may then choose any player from his roster to shoot again.
