Intro to Hockey	28 players
Second Shift	20

We had a group of First Shift players that were able to participate in the "Second Shift" and then again in a program at the end of the season. Hopefully this brings in some new players to the U6 and U7 this coming season.

Intro to Hockey continues to be a very popular and sought after program.

The Jets continue to compete with the Academies and zone teams for top players and this year was no different than others, and players moved.

I would like to take this opportunity again to thank the many volunteers that put in hours to keep our Association running. We put out a great program which produces great people.

I look forward to seeing you all in September.
