RICHMOND JETS 2022-2023 TOURNAMENT REPORT

With major Covid restrictions behind us, we resumed our regular tournament schedule. We ran 6 tournaments with a total of 262 teams participating. Of that number, 86 teams were from out of town (with 5 coming from the US).

Last year's net profit was a record low \$108,500. This year, we bounced back nicely by almost doubling last year's total with an amount of \$193,200.00.

Once again, a great deal of credit must go to our Tournament Committee led by Mark Rustia. Their endless hours of preparation, planning and implementation created 6 well run tournaments. The feedback from our participating teams was excellent – with many planning to return next season.

Special thanks to our host hotels, who took care of our out-of-town teams and for their generous hotel rebate to our association.

RICHMOND JETS 2022-2023 EQUIPMENT REPORT

It has been another uneventful year for equipment. We have not made any major purchases. However, our jerseys are now 4 yrs. old, and beginning to show some “wear and tear”. We are now taking inventory again, and will be replacing any lost or damaged jerseys in time for next season.

For our U7-U9 players, we continue to use jerseys supplied by Tim Horton’s, through their Timbit’s program. This year, the board decided to drop out of the McDonald’s Atom C jersey program in favour of having all our C teams wear our Jets jerseys. Although we appreciate the generosity from McDonalds, we believe that our players would rather wear our Jets jerseys.
