AGM REPORT 2024 – Jeff Harms Referee In Chief

Main Objectives:

- Train and develop on ice officials

Key Responsibilities:

- Train first year officials
- Observe and develop existing officials
- Answer questions and concerns from teams
- Ensure a standard is met amongst officials
- Guide officials towards opportunities for growth to further their careers

2023/2024 Season Summary:

- 2 full classes of first year officials
- Integrated more supervisions with myself and select mentor officials
- 6 tournaments run successfully
- Began first on ice training in season for officials
- Launched feedback form online for coaches and managers

Recommendations:

- Integrate new Referee Coordinator into system
- Start of year meeting with coaches to go over communication issues as well as any other issues/concerns
- Start of year meetings with officials to welcome back, set standards and prepare for the year
- Standardize an assigning system for tournaments
- More on ice sessions for officials during the season
- Increased supervisions with the goal of further developing officials with the focus on 2006-2009 born officials
