VOLUNTEER PROGRAM POLICY

Volunteer Program Policy

Approved: June 2022,

Updated October 2023, Updated June 2024, **Updated April 2025**

Richmond Jets Minor Hockey Association Bylaws & Policies

1) Introduction:

In order to ensure the continued success of the many programs that Richmond Jets MHA runs each year, we have a mandatory Volunteer commitment for each family of a child registered with RJMHA (*with the exception of players in the U21 Division, due to RJMHA providing neither evaluations/tryouts, nor development for the U21 Division*).

2) Volunteer Program Fee:

All members are expected to volunteer for at least five shifts or one full-time position over the course of the season or 8 shifts or one full-time position for families with 2 or more players.

If at the end of the year, it is determined by the volunteer committee that the hours have not been fully completed, the family will be contacted and be required to pay the volunteer fee of **\$200 per player or \$300 per family** (2 or more players), via invoice from the association or via E-Transfer to our Treasurer - treasurer@richmondjetsmha.com.

Please note, if payment is not received in a timely manner, then the player will not be permitted to register for the next season until the outstanding balance is paid in full.

2.1 Early OPT-OUT Fee Option Information:

2.1.1 While we prefer our families to contribute through their volunteer hours, we also recognize that some families prefer to simply opt out early in the season and pay for their shifts to be covered.

2.1.2 Each family exercising the OPT-OUT option will pay a fee of **\$300 per player**. In the case where a family has more than two players, a maximum of two fees (**\$300 x 2 = \$600**), will be required to be paid to OPT-OUT for all players in that family. OPT-OUT fees can be paid via e-transfer to our Jets Treasurer at treasurer@richmondjetsmha.com. Early **OPT-OUT deadline is Oct 31st of each season**.

2.1.3 The increased amount is intended as a deterrent, as well as to fully cover the costs associated with the program. You will be marked off as **"Exempt"** and will not receive automatic volunteer hour alerts from RJMHA.

- 2.1.4 These funds will be used to pay for the staffing of the shifts for these players, as well as to fund operating costs to run the volunteer program. Any remainder funds will be reinvested into the Association programs.

3) Volunteer Requirements:

- 3.1 Each family will need to volunteer a minimum of 5 shifts (or roughly 8 hours) or commit to one full time position with their child's team or at the association level. Should you have fulfilled 5 volunteer shifts but are just short of the required 8 hours (ie. 5 tournament timekeeper shifts at 1.25 hours, equals 7.5 hours), the 5 shifts will qualify for your volunteer requirements. U21 aged players and parents are exempt from the volunteer requirements and fee.
- 3.2 Families with 2 or more children registered will need to complete a minimum of 8 shifts (roughly 12 hours) or commit to one full time position with their child's team. (Example – Joan has 3 children registered with RJMHA. She can meet her volunteer commitment by signing up for 8 shifts or by committing to an Assistant Coach position with her daughter's team).
- 3.3 Shift time will vary depending on the responsibilities but will generally be 1-1.5 hrs in length.
- 3.4 Families must complete **all assigned tournament shifts** or complete the duties of the full-time position in order to meet the volunteer commitment. (Example – if Mark completes 4 shifts, but is unable to complete his 5th shift, the \$200 Volunteer fee will need to be paid in full.
- 3.5 Families are responsible for finding a replacement for their tournament shift that they have signed up for but are unable to cover. They must also email any last-minute changes to the tournament committee at tournaments@richmondjetsmha.com. No volunteer hours will be added if they no-show to any of their volunteer shifts that they have signed up for.
- 3.6 **No-Show Policy:** If a family signs up for a tournament shift and fails to attend without arranging a replacement at least 24 hours in advance, they will incur a no-show penalty. The penalty will be two (2) additional shifts added to their family Sportshelper Portal.
