## **AGM REPORT 2026 – Jeff Harms Referee in Chief**

### **Main Objectives:**

- referee development
- Point of contact
- relating to officiating

### **Key Responsibilities:**

- Oversee referee development
- Conduct first year clinic as well as on ice development sessions
- Answer to questions and inquiries pertaining to officiating

### **2025/26 Season Summary:**

- Smaller first year class of 22, bring total number of officials to 149
- Compiled stats for referee retention year over year for the past five seasons.
  - About 70% return for a second year
  - Down to 50% for a third year
- Had meetings with coaches for both rep and C levels.
- Mason Singh and Benny Rustia selected to do U13 Final Four games
- Owen Davis awarded new social of the year
- Benny Rustia awarded referee of the year

### **Recommendations:**

- Open up the first-year clinic to 35
- Create a schedule and payment plan for supervision throughout the year
- Have shadows on U9 games from the beginning of their season
- Continue to have meetings with coaches, preferably with more participation from the C coaches
